

# FOCUS on Leadership Effectiveness

***A customized Executive Coaching Session Providing Clarity and Direction for Your Development***

---

***You're a Thoroughbred - - Are You Running Your BEST Race?***

Schedule an Enerpace Focus Session Today &  
Boost Your Performance to the Next Level!

**This Confidential, Customized  
3-Hour Individual Session Will:**

- Provide the structure & time for a strategic look at your leadership skills
- Identify how to leverage your strengths to "run your best race"
- Uncover & overcome obstacles in your path
- Create & prioritize key actions to move you forward!

**Who Needs This?**

***Anyone who:***

- Doesn't take time to evaluate and improve their Leadership Effectiveness
- Recognizes the importance of proactively managing their professional development
- Requires the insight, tools, and structures to perform at the next level
- Wants to run their best race, both personally and professionally
