About Elene Cafasso

Elene is a professionally trained and certified Executive and Personal Coach who helps over-stressed and over-busy leaders achieve more agility in their professional and personal lives – all while growing themselves, their team and their bottom line.

Elene's coaching enables leaders to achieve their objectives in the areas most critical to their success: leadership agility, team building, professional communication and organizational effectiveness. She holds an MBA in Marketing and Finance from the University of Chicago, and worked in the corporate world for 14 years, holding executive level positions in the banking and telecommunications industries. Elene is a graduate of the Coaches Training Institute (CTI) and Coaching and Leadership International (CLI), and certified by the International Coach Federation.
