

Career Advancement Group Coaching Program for Leaders

Take Charge of Your Career!

A Roadmap to the Career You Want

Do you...

- Feel ready for the next step in your career but are unsure about how to make it happen?
- Need a safe space and structure to learn how to network?
- Enjoy the scheduling convenience of Saturday sessions or a lunch time meeting by phone?
- Know you need the support, but are unsure about making an investment in private coaching?
- Get inspired & energized by working with a great group of intelligent people?

Want to...

- Understand exactly HOW to make a transition?
- Share best practices and learn from the experiences (and contacts) of others?
- Be empowered to create the career you REALLY want...the way you REALLY want it?!?

Then This Program Is for YOU!

Two Executive Coaches/MBAs will walk you step-by-step through our unique process which has a proven record of success!

We'll cover:

- Creating fulfilling career options
- Professional brand management
- Communication platform & tools – resume, networking, elevator speech, etc.
- Job search skills & contact strategy
- Interviewing best practices
- Negotiation strategies
